

Connect Group Network Application

Vision Statement: Faith, Function, Friendship!

Why join the Connect Group Network?

- To establish and build an authentic relationship with God and with each other.
- To have a great time of socialising, sharing, spiritual teaching, encouragement and growth.
- To connect with other like minded people bound by a genuine love and care for each other.

North Gate Christian Church Community Relevance

We all need healthy relationships and community with people that we can identify with and learn from. The Connect Group Network are smaller community groups of people that are not limited by physical buildings, or the skills of a few full-time or part time church workers.

All Connect Group Network meetings are on a fortnightly basis and enable more people to be empowered, blessed and released to influence their world for Jesus Christ.

The purpose of the following questionnaire is to assist us in understanding your needs and to provide an opportunity for you to best connect with others throughout the week, as well as reaching others within our own communities with a message of love grace and freedom!

Please tick one or any of the following opportunities from the Connect Group Network that most interests you, as well as the best days and times that would suit you. Once we have received your application form, a connect group network facilitator we will get back to you with further information. Thank you!
